

EFNEP is a Cooperative Extension Nutrition Education Program

This free program assists income-eligible families and youth to improve their health.

This program provides:

- Nutrient analysis of your diet
- Door prizes
- Healthy recipes to taste
- Loan of a breast pump
- Class celebration with a graduation certificate

Who's Eligible?

*Families with Children
& Youth Ages 8-19*

Families participating in:

- WIC
- SNAP
- Free or reduced price school lunches
- Medicaid
- Head Start

Other eligible participants:

- Grandparents raising grandchildren
- Daycare Providers

Learn how to:

- Buy healthy food with your money and SNAP or WIC benefits.
- Make snacks and recipes your children will love.
- Plan nutritious meals that save time and money.
- Prepare delicious dishes with less salt, sugar, and fat.
- Use food labels to make healthy choices.
- Learn how to breastfeed your baby and introduce new food to children.

What our participants say:

“I understand better how to read a nutrition facts label now.”

“I enjoy preparing some of the healthy recipes that we learned to make during EFNEP classes.”

“I eat fewer processed foods as a result of taking nutrition classes .”

“One result of making these changes is that my blood pressure has improved.”

The Cornell Cooperative Extension educational system enables people to improve their lives and communities through partnerships that put experience and research knowledge to work..
